

I was really impressed from the organisation of “Leading Voices” and the offer of the courses was really big.

I visited a lot of different seminars, especially for choral managers. It was really useful for me and I met a lot of interesting and amazing coaches who could give me really practical advice for my choir in the future!

The place Utrecht is also lovely and everything was located near to each other!

I am really thankful for the opportunity, that was giving me from Noël Minet Fund to visit “Leading Voices” and to be part of this big event and to meet a lot of amazing people in the choir world!
