EUROPEAN CHORAL ASSOCIATION

THE VOICE FOR COLLECTIVE SINGING IN EUROPE AND BEYOND.

We are a network of organisations in the field of collective singing active since 1955. We bring people together through singing to increase mutual understanding across borders by offering activities for the collective singing community.

SUPPORT US IN MAKING THIS VOICE EVEN STRONGER!

Be part of our vision

to create a future where everybody experiences the benefits of singing. The roadmap is there. The expertise is there. We only need one thing to reach our goal – your support.

Contribute today by

donating to our support organisation,
the Friends of the European Choral Association.

With your help

we can connect Europe and beyond
we can bring our network to life
we can shape the future with youth
we let the world know why singing together matters

Already 37 million people sing together.
Let's make that number even greater – together!
